Looking for a place to serve?

JOIN OUR TEAM!

Our incredible team of staff and volunteer leaders have had the opportunity to watch Venture Kidz grow in their relationship with the Lord each weekend. We are passionate about helping children live God-honoring lives that produce **rl2** Christians here, there, and everywhere. If you are ready for a life-changing experience, join us in this exciting and rewarding ministry as we make a difference in the lives of several hundred children each week. We look forward to serving with you!

...where kidz come to worship a
living and loving God!

Who We Are...

Our passion in Venture Kidz Ministry is to partner with parents as we lay a spiritual foundation for kids to build their lives on. There is no greater investment than investing in the life of a child. We are excited about the staff and team of ministry partners here at VCC who are committed to showing Jesus' love to kids in a safe, fun, and caring environment.

We consider it a privilege to minister to your children. We take this responsibility seriously and want you to know that your child is in safe and capable hands.

We encourage you to visit one of our weekend programs with your child to experience first hand what God is doing here at Venture Christian Church!

What We Value...

At **KIDZPLACE**, we teach key Bible truths through repetition and creativity. Knowing that preschoolers are searching for understanding and predictability, we teach the same basic heart truths over and over again until they fully understand them.

1. God loves me
2. God created me
3. Jesus wants to be my friend forever!

KIDZROC is our Elementary (K-5th) Ministry which meets on Saturdays at 5 and Sundays at both 9 and 11:00AM each week.

Our **KIDZROC** kidz will experience a place where they can learn more about their Savior through high-energy worship music and Biblical teaching at their age level. We offer two simultaneous large group environments: K-2nd grade and 3rd-5th grades.

Our desire is to minister to the hearts of children to help form and build a foundation of faith in their lives by giving them key truths to live it on a daily basis!

Where Kidz Lives are Changed...
