

r12 Christians respond by serving in love...
meeting real needs for the right reason in the right way.

Venture Church will come alongside Second Harvest Food Bank to supply **45,000 lbs to the Bay Area - that's 30,000 meals!** Not only that, small groups & adult communities will have the opportunity to adopt over **225 families** by providing fresh groceries for a week and sharing the love of Christ with them.

Venture cannot reach this goal without you... we need 100% participation! Are you ready to feed the need?

HOW YOU CAN PARTICIPATE IN FEED THE NEED

- **February 6/7th:** Every adult, student & child will receive a grocery bag with specific items needed.
- **February 13/14th & 20/21st:** Bring your filled bag. Leave food directly behind your vehicle and a team will pick up during the services.

- **Partners:** Los Gatos Christian School is joining Venture in our effort to feed 30,000 people. *How can your company or school partner with Venture?* Extra bags will be available in Venture's foyer. Have questions? Contact Robin Coleman at rcoleman@venturechristian.org.

Look for the large Feed the Need Bin on Venture's campus... let's fill it until it overflows!

AS A SMALL GROUP OR COMMUNITY CLASS - Adopt a Family in Need - February 15-26th

- **February 6/7th:** Group Hosts & Class Leaders pick up an "Adopt a Family" packet at the Feed the Need hub or Venture's foyer. *A 15 minute Adopt a Family orientation will be held immediately following every service up front near the baptistry for group hosts & class leaders.
